FIREWORKS FOR THE SOCIETY

More than 50 members and their families celebrated Guy Fawkes' night at Monteagle House last year. Last year's food was traditional French Canadian winter toutiere followed by English trifle kindly donated by various members. This year's party will again be on the correct night -

**Tuesday 5 November**

- and some fireworks will be provided. The pudding this year will be apple pie, since orchard Monteagle has an embarrassment of apples, but the first course is not disclosed.

To make this year as successful as last, please phone Monteagle House [873378] as soon as possible and indicate:

- 1) how many in your party,
- 2) whether you can contribute combustibles to the fire,
- 3) whether you will be bringing an apple pie to your favourite recipe (apples will be delivered to cooks.)

Extra fireworks will of course be welcome. Two glasses of hot mulled wine will be provided in the (slightly raised) price of £3.50 per person.

The evening begins at 6:30pm.

Numbers will be strictly limited, so please phone early.

**PUBLIC INQUIRY - HART DISTRICT LOCAL PLAN 2nd ALTERATION**

As explained at the General Meeting on 3 October, the Inquiry will be examining the proposals for Hart District up to the year 2001.

Already a sixth week has had to be added to the provisional programme, taking the Inquiry into the new year. The Inspector will be opening the Inquiry on Tuesday 19 November and, with a Christmas/New year break, will close it on Friday 10 January 1992.

Inquiries can be dreary if you attend on a day when the contenders are arguing the 'numbers game' (housing provision figures.) But on a good day there can be moments of drama and even comedy.

DO NOT MISS OUT!  
PTO

As the programme stands at the moment, the chief Yateley issues will be discussed on:

Wednesday 11 December: land off Cobbetts Lane (morning) and Blackbushe Metals (afternoon);

Friday 13 December: Yateley Town Centre Plan (afternoon).

An attendance register is kept for every Inquiry session and the signatures indicate to the Inspector the degree of local interest in each issue. Yes, it's just before Christmas, but please, if you can manage to attend one of the sessions at the Civic Offices in Fleet for even 30 minutes, please do. The Society will have to try to attend at least twelve sessions of the Inquiry in order to be able to speak if necessary. It would be encouraging to have some Society members at some of the sessions.

For up-to-date information on the Inquiry schedule, please phone Elizabeth Tipton (873378).
